Next Generation Gathering

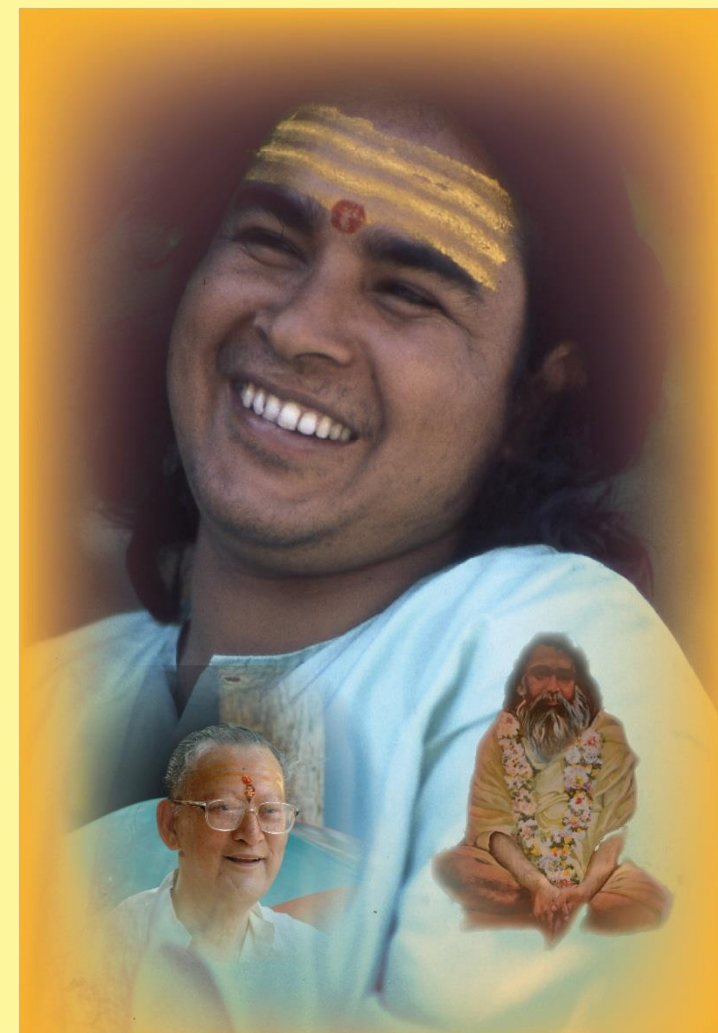

In these turbulent times, our spiritual family, our „sangha“/samaj, is getting more and more important as a space of protection God is providing for us, so we can learn how to love, support and inspire each other and strengthen us mutually. In this sense, the Next Generation Gathering of the Jai Ho Movement responds very well to the actual requirements of the period which we are experiencing right now.

The NGG appeals to young devotees and all those who are interested in the spiritual path Babaji outlined for all of humanity, from the age of 18 to 40. The gathering is organized and sponsored by long time Babaji devotees, whose matter of heart is to share their experiences and to connect with the „next generation“. From 1. to 5. of July they offer workshops on how to relate to your own self and the social as the natural environment in a way Babaji taught us. You find further information on our website www.babajiashram.de

Bhole Baba Ashram
Lieferath, Germany

Dear Haidakhandis, dear Brothers and Sisters,

we all welcome you heartily and we feel so blessed and happy to meet the Babaji family once again on the occasion of the international Gurupurnima Celebration at Bhole Baba Ashram in Rieferath.

Let's experience Babaji's blessing and the deep joy in the great energy that arises, when we celebrate the Divine all united and meet Him within our hearts.

His will for us is to be happy and to make each other happy. So may His will be done during these days!

We are very happy to have Alokh Banerjee, Chairman of the Indian Haidakhandi Samaj, with us together with his companions. He will lead the ceremonies during the festivals and he will be the honorary patron of the charity event for Babaji's Hospital in Chilianaula too.

Please register in time using the Email ID ashram@babajiashram.de, it will make our preparations a lot easier. As we do have only limited space in the ashram, we will organize tents and space for your own tents.
